

# Family Constellation Workshop

with Timothy Cunningham of Washington

**“Fate is what happens, Destiny is what you do with it”**

**May 4 - 6, 2012**

\$225 (\$200 before April 1)

Friday 6:00-9:00pm

Saturday 9:00am-5:00pm

Sunday 9:00-5:00pm

Constellations are a facilitated group process that can reveal and liberate us from old patterns related to our families and our ancestors. The process can lead to profound changes in our lives and choices. What we choose in life is directly related to how we see ourselves in this lifetime.

- **Strengthen the heart and soul**
- **Align with your greater purpose**
- **Stand where you are with presence and dignity**
- **Explore and answer questions about family, soul work, life's work, destiny, spiritual development**

Timothy is a Certified Counselor in Washington State and a trained Family Constellation facilitator with experience leading constellations nationally and internationally since 1997. Timothy's training in Family & Systems Constellations offers a dynamic and intuitive process to facilitate healthy interactions and creative solutions in group settings. He is currently writing a book on the biological basis for smell & taste as the primary guidance mechanism for optimal nutrition.
