Please describe:**

By signing below, I commit to all the training sessions and that my answers on this application are correct and true to the best of my knowledge. I have read, understood, and accept the Teacher Training Program as outlined on Yoga for Today's website. I am available and committed to be in all the training sessions. I agree if I miss more than 10 per cent of the total program (20 hours), I may not qualify for certification. Every hour of Teacher Training is integral to the overall program and my presence and participation is essential. I also acknowledge that ALL missed hours need to be made up in appropriate ways.

The cost of the program is \$3,150.00 + GST. Upon acceptance into the program, a non-refundable deposit of \$500 (plus GST) is required to secure your place. Once program has begun, tuition is non-refundable. The balance is due before the program begins. Tuition does not include the cost of an International Workshop at Yoga for today, which is a requirement for certification. Yoga for Today is federally recognized educational institute; all educational training can therefore be claimed. Tax receipts are issued yearly in February.
